

FRENCH DIG BOMB PROOF SHELTER 75 FEET UNDER GROUND!

This "cave" is a bomb proof shelter for the French army near Verdun. It was dug into solid clay, 75 feet underground and is reached by a stairway, cut out of the hillside leading to the mouth of the shelter.

FAIRMONT HIGH SCHOOL NEWS

Items About Faculty and Student Activity Prepared by Members of the Senior English Classes.

What Happened to Jones.
The farce, "What Happened to Jones," in three acts, will be presented by the Senior class of the Fairmont High school, at the Opera House on Friday evening, June the first. This is the latest act of a farce, clean and sparkling all the way through. It has been a tremendous success for years on the professional stage and has just recently been published for amateurs. In that time it has been given successfully by several high schools. The cast is as follows: George Hill, Jones, who travels for a Hymn-book house; Lawrence Russell, Ebenezer Goodby, a professor of anatomy; Dunlap Brady, Anthony Goodly, D. D., Bishop of Baltimore; Blake Billingslea, Richard Heatherly, engaged to Marjorie; Russell Meredith, Thomas Holder, a policeman; Herschel Lee, William Higbee, an inmate of the Sanatorium; Gobel Harr, Henry Fuller, superintendent of the Sanatorium; Genevieve Carpenter, Mrs. Goodly, Ebenezer's wife; Bessie Preston, Cliss, Ebenezer's ward; Virginia Lee Fleming, Marjorie and Elizabeth Jones, Minerva, Ebenezer's daughter; Carrie Sumpter, Alvina Starlight, Mrs. Goodly's sister; Pauline Graham, Helma, Mrs. Goodly's servant-girl.

The Annual High School Exhibit.
The annual exhibit of the Fairmont High school will be held this year May 23, 24 and 25, and many plans are being made to make this exhibit a success. Mr. E. J. Hawkins is chairman of the committee in charge and he has a very efficient body of workers to assist him. The exhibit will be much larger than ever before and nearly every department will be represented in some manner.

The Art, Manual Training and Domestic Science and Art departments will be arranged much as they have been before, only on a larger scale.

The English classes have been preparing some original work and especially interesting will be the magazines which the Seniors classes are working out. Each individual class is making a "dummy" copy and all will prove entertaining.

One of the unique features of the exhibit will be the museum which is the work of the Senior class and Miss Newman. Many old and interesting relics have been collected and all who wish to see this will miss something well worth seeing. The public is cordially invited to come and inspect the work of the students for the year just closing.

Movies at Chapel.
Educational movies were shown at chapel Friday, May 11. They consisted of views of one of the richest and most beautiful cities of the world, Buena Vista—of pineapple growing and canning in Hawaii, and of the people of Australia. They were all very interesting and instructive.

Rev. Mitchell of the Christian church will address the students in chapel Friday, May 19.

Personals.
Miss Eva May, a member of the high school alumni, attended the Junior Prom last Friday night at Morgantown. Wayne Shuttlesworth and Homer Barnes, two former high school graduates and members of the University Cadet Corps, left Sunday for Fort Benjamin Harrison, Indiana, to enter the officers' training camp.

Mr. Bernard Arnette, a member of the A. B. Fleming class, attended the Junior Prom at Morgantown. Olive Crush, Ruth Spedden, Agnes Talbot, Pearl Griffith and Lucile Hamilton attended the track meet at Morgantown Saturday.

Bernard Arnette and Dunlap Brady attended the track meet at Morgantown Saturday.

Miss Edna Warder attended the races at Uniontown last Thursday.

Miss Carrie Sumpter was the week-end guest of Miss Regina Lynch, a former member of the A. B. Fleming class, who now resides in Pittsburgh.

Miss Rhea Warden spent the week-end with her parents at Gratton. Miss Lavina Bowman and Dorsey Cole were week-end guests of Mary Rice at her home at Jayenne.

Miss Katharine Ford, a member of the Sophomore class, will spend the week-end in Connellsville and Pittsburgh.

Ethel Lee, a member of the Senior class and Amy Getrune, a former member of the A. B. Fleming class, spent Sunday afternoon with Naomi Reeves at her home on Reeves avenue.

Irene Vincent, a member of the O. E. Hutchinson class, went to Gratton Sunday to visit Mr. Cody Grow, of that city.

Katherine Schaffer, a member of the Sophomore class, spent the week-end with relatives at Arnettsville. Hayward Holbert attended the automobile races at Uniontown last week.

Mr. Ramsey, a member of the faculty, spent Saturday and Sunday out of town.

Edward Crowl spent the week-end at Montana.

Baseball.
On Friday afternoon, May 11, the

Fairmont High school baseball team met and defeated the Riverside High school at South Side park, the score being 6-2. There were several out to see the game, but not nearly as many as should be, considering the kind of team the Fairmont High school has representing it this year. This was the fourth game of the season and Fairmont has four victories to her credit. It is hoped that there will be a larger turnout for the games in the future and those who do so are assured a good brand of baseball. The team has three games this week, Tuesday, May 15th, at Riverside, Thursday, May 17th, Fairmont Normal at South Side Park, Friday, May 18, Fairmont at Fairview.

Our Track Team.

On Saturday afternoon of May 12, the Monongahela Valley Track meet was held at Morgantown. The weather was ideal, and the track was in good condition. In fact the meet as a whole was one of the best the Monongahela Valley Athletic Association ever held. Seven teams were entered namely, Morgantown, Fairmont, Mannington, Weston, Buckhannon and Clarksburg. Buckhannon did not appear, so six teams were left to contest for the medals.

Morgantown won the meet with only three points behind. Weston was third and Mannington fourth, while Clarksburg did not score a single point. Although Fairmont did not earn first place honors, she showed that she possessed good material and that what her team needed was practice. Even then Fairmont boys took four of the first places and Morgantown only took four of them. Our team is applying for admission to the track meet, which is to be held at Waynesburg on May 30th. Morgantown is also entering and Fairmont will put forth her utmost efforts to win a place in the meet above Morgantown. The Fairmont track and field meet which is to be held on Thursday of next week at South Side park will be a very great help toward getting our team in condition for running the laurels in the Pennsylvania town. There is a rumor floating about that the high school team is going to make all the other teams "go some" to win first place in the big Fairmont meet.

Agricultural Notes—What Fairmont High School Can Do to Help the War.

The war is more serious than most people think it to be. This war will not be settled in a short period of time. After it is over it will take the United States many years to get back to normal conditions. Every one should be concerned about this war. Everyone has something to do, he should find out what he is best suited for and do what ever part he takes and do it well.

There are many ways in which Fairmont High school can help to carry on the greatest war in all history. Owing to high cost of leather and to save shoes, the high school could establish a cobbler shop and have some one train the boys to mend shoes and receive credit for their work. They could mend their own shoes and also mend other's shoes. The only expense would be the exact cost of leather it took to repair the shoes.

Instead of paying ten to fifteen cents for a shoe shine, shine your own shoes.
